

# An Apple for the Teacher

***A creative way to show that special educator  
how much you appreciate them***

Trinkets, candy, and flowers are all great ways to show your appreciation at Christmas, Valentine's Day, Year-End Gifts, etc. However, the *Karnes City ISD Education Foundation* (KCEF) has a unique gift idea: Make a donation to education in your favorite educator's name. By doing so, you not only show your gratitude to your teacher, but you also help future students enjoy remarkable classroom experiences.

Money raised by the KCEF is used to fund teacher grants that allow teachers to provide special learning opportunities outside the core curriculum. These projects are not budgeted and are often paid for out of the teachers' own pockets.

With a donation of any size, a card will be sent to the teacher of your choice showing you made a contribution to the KCEF in his or her name. You'll receive the satisfaction of providing a special gift to a special teacher, while the teacher will know future grant opportunities are still being made possible thanks to your generosity.
