Contributions are tax deductible for Federal Income Tax purposes: Tax ID Number 27-3814655.

## Directed Sponsorship Option

If your donation amounts to \$2,500 or more, in lieu of reserved seating at a corporate table at the Gala, you may opt to target your Karnes City ISD Education Foundation donation to programs and initiatives in one of the following areas:

### **READING & LANGUAGE ARTS**

For example, in the past, the Karnes City ISD Education Foundation has funded a “Foster Reading at Home” grant, which provides students with the opportunity to build home libraries with several genres, thereby building fluency, vocabulary, and comprehension as well as exposing younger siblings to literacy.

### **MATH**

For example, in the past, the Karnes City ISD Education Foundation has funded the purchase of computer equipment to support web-based math curriculum designed to provide a dynamic, engaging learning environment, promote high-level thinking skills, and correlate instruction to state mandates for Algebra I, Geometry, and Algebra II.

### **SCIENCE**

For example, in the past, the Karnes City ISD Education Foundation has funded the purchase of tools necessary to implement Astrophysics curriculum, *i.e.*, a Scientific Famous Star and Planet Locator and scientific calculator for each student.

### **TECHNOLOGY**

For example, in the past, the Karnes City ISD Education Foundation has funded a grant to obtain licenses for Globaloria, a game-design curriculum that teaches students to design and code educational games using industry standard programming languages and professional practices.

### **ARTS & ELECTIVES**

For example, in the past, the Karnes City ISD Education Foundation has funded a grant providing materials, workshops, debate evidence publications, props, costumes, books for literary criticism, and other supplies necessary for student achievement in UIL programs.

### **VOCATIONAL or AVIATION PROGRAM**

For example, in the past, the Karnes City ISD Education Foundation has funded the 3G (Going Green Greenhouse) Project, which applied learning to a real-world setting as students incorporated knowledge and skills to the operation of small plant nursery.

### **EARLY COLLEGE**

For example, in the past, the Karnes City ISD Education Foundation has funded a dual credit assistance grant, providing assistance for labs, books, and necessary materials to encourage student success. In addition, the nationally recognized AVID college readiness program is offered.

By checking one of the boxes above, you will receive the number of admission tickets to the Gala that corresponds with your donation amount, but will not have reserved seating at a corporate table. Instead, your donation will be used to fund educational initiatives in the area selected.
